Retreat House address: 3303 Meadow Fork road ~ Hot Springs, NC 28743

- There is a new sign at the entry that says BLISS drive. GPS still knows it as Meadow Fork.
- Internet/GPS will drop as you get closer to the retreat house, so print directions in advance.

Entering The Property (Important - Must Read)

1. DO NOT MAKE A RIGHT TURN INTO THE PROPERTY - ENTER WITH LEFT TURN ONLY.

- You will see a NO RIGHT TURN sign at the entrance of the property. Trust it! The turn is deceptively sharp and steeply sloped, your car will scrape its underside & get stuck if you enter with a right turn.
- If you approach the entrance on your right, continue down the road around ¼ mile, you will see a big street to turn around on the left. **Make a U turn, and turn into the property with a left turn only.**

2. Follow the signs for "BLISS HOUSE"

- At the entrance you will notice a little creek house on your left & a small creek bridge. Continue across the bridge & follow the signs for "Bliss House".
- *The ¼ mile drive up the driveway from the road entrance is mostly gravel. It is a driveway that is a little intimidating at first glance, although I assure you that my low car makes it up with zero problem. It is best to continue up the driveway at a steady speed and not stop/start so as to not spin your tires or get stuck.*
